ALDEN PARK DEVELOPMENT, HENRICO COUNTY, VA

1. Applicant:

Mr. G. Brian Duke: Real Estate Investments
Duke Development, LLC
3800 Stillman Prkwy., Suite 200
Richmond, Va. 23233

2. PROPOSED WORK AND NEED FOR RELOCATION: The applicant proposes to construct residential housing on a 12.84 acre parcel located at/near 11653 New Wade Lane, Glen Allen, VA in order to provide housing in an expanding residential area.

The single marked grave is that of James Robert Wade, 8/4/1892 to 7/23/1951 with a flat gravemarker. Information from the Henrico County Graveyard Registration documentation indicates that there are another 7 burials in the graveyard, all relatives of Mr. Wade.

The graveyard is located at a narrow constriction for the access road and the road cannot be widened without encroaching upon the graveyard. Pursuant to the requirements of VA Code §10.1-2305, the applicant has applied for a burial permit through the Virginia Department of Historic Resources (DHR) to allow the archaeological excavation and relocation of the aforementioned grave. A copy of this application will be posted at 11653 New Wade Lane, Glen Allen, VA, at the Henrico Library at 5001 Twin Hickory Rd, Glen Allen, VA 23059 and at Henrico Courthouse, 4301 E Parham Rd, Henrico, VA 23228. A copy will also be posted on DHR's website at http://www.dhr.virginia.gov/arch_DHR/archaeo_BurialPermits.htm. Copies of the application may be requested from DHR.

The exhumed human remains and funerary objects will be temporarily curated at Radford University Forensic Science Institute, Radford University, Radford, VA, and will be respectfully reburied at a location to be mutually decided by family members, unless otherwise requested by interested parties.
